

Brick Paver DIY Seminar

Saturday May 1, 2010
10-11:30am

Join us for a demonstration
on how to install Brick Pavers

We will install permeable pavers,
showing you the step by step
process and tools you will need
for a successful paver installation.

Brick walks, patios and
driveways add permanence and a
classic style no other paving
material can match.

RSVP now and receive a 10% off
coupon at the seminar towards
your material purchase w/in 90 days
of the seminar. You will also be
registered to win a 20% off coupon
at the end of the seminar !

Held at the Columbus Location
