

ORCHID *by* MICHAEL ARAM

Winner of Interior Design's 2017 Best of Year Award and Hospitality Design Magazine's 2018 HD Award for Surfaces. Born of a collaboration with homeware and jewelry designer Michael Aram, Orchid Dimensional's realistic carved flowers festoon a smooth background of polished white or black marble. Inspired by Michael Aram's original Orchid Collection, this groundbreaking design utilizes a variety of techniques for an intricate and elegant mosaic tile. Orchid is stocked in black, white, and Thassos multi-color in its original carved dimensional style, and in a flat design that extends its use to floors and other surfaces.
